Earth

Our Amazing Planet!

There's only one Earth, so let's look after it. Pick up litter, care for nature and leave places as beautiful as you found them.

Sun

The Sun Gives Us Energy!

The Sun helps plants grow and can even power homes with solar panels. Using sunshine for energy helps protect our planet.

Recycling

Give It a New Life!

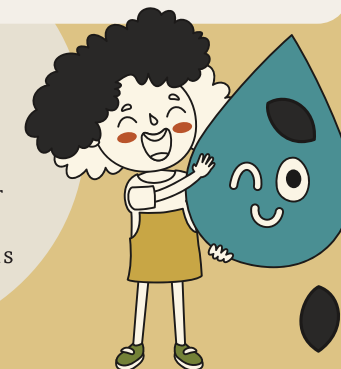

Recycling turns old things into new things, saving energy and reducing waste. Remember to sort your recycling correctly.

Water

Every Drop Counts!

Turn off the tap while brushing your teeth. Saving water helps people, animals and plants.
