WHAT IS THE HIDDEN CELLAR?

Tried and tested

Although we believe our wine list is excellent, our Hidden Cellar selection is fantastic for anyone who is a bit of a discerning wine drinker or someone who is also curious and intrigued by new wine blends.

We were lucky enough to select these wines by visiting the vineyards ourselves and take the time to get to know the wine makers and their stories.

They are unique grapes or blends from parts of the world you may never have thought to buy wine. We have kept the price low because we want you to try what we love! We're pretty sure you will, so you can also buy a bottle to take home...
